THE MARVELOUS (OOLING By Agents "Arabic" Cooling Compound

IS UNEQUALLED

GENTLEMEN:

20 deg LOWER TEMPERATURE Than uncoated roofs

THUS D

I have painted several large Iron warehouses here in Honolulu with warehouses your "ARABIC" Roof Cooling Compound, and am pleased to say it is giving the very best of satisfaction. It preserves the iron from rust, is most durable, and keeps it cooler ! by 15 degrees. I have had 20 2 years experience as a painter, 5 2 years here in Honolulu, and I have yet to find as good a paint as the P. "ARABIC" for Iron Roofs.

Yours vary truly,

W. R. RILEY.

VERDICT IN MITCHELL CASE.

coroner's jury in the case Thomas Niau Mitchell, the young man who died at the Queen's hospital Tuesday afternoon from the effects of wood alcohol, met in the office of the Deputy Sheriff yesterday afternoon and, after due deliberation, handed in the following verdict:

That said Thomas Niau Mitchell drinking methylated spirits, or wood alcohol, in such quantity thereby causing acute poisoning and heart failure. The jury in this case desire further to call to the attention of the Board of Health the advisability of requiring those dealing in methylated spirit to reat the same as a deadly poison, label the same as such and in all respects conform to the law regarding "Deadly See chapter 88.
